ADMISSION: \$5 per person
Adults accompanied by a child: \$3

Welcome to Mapleside's Wild Animal
Adventure Corn Maze!

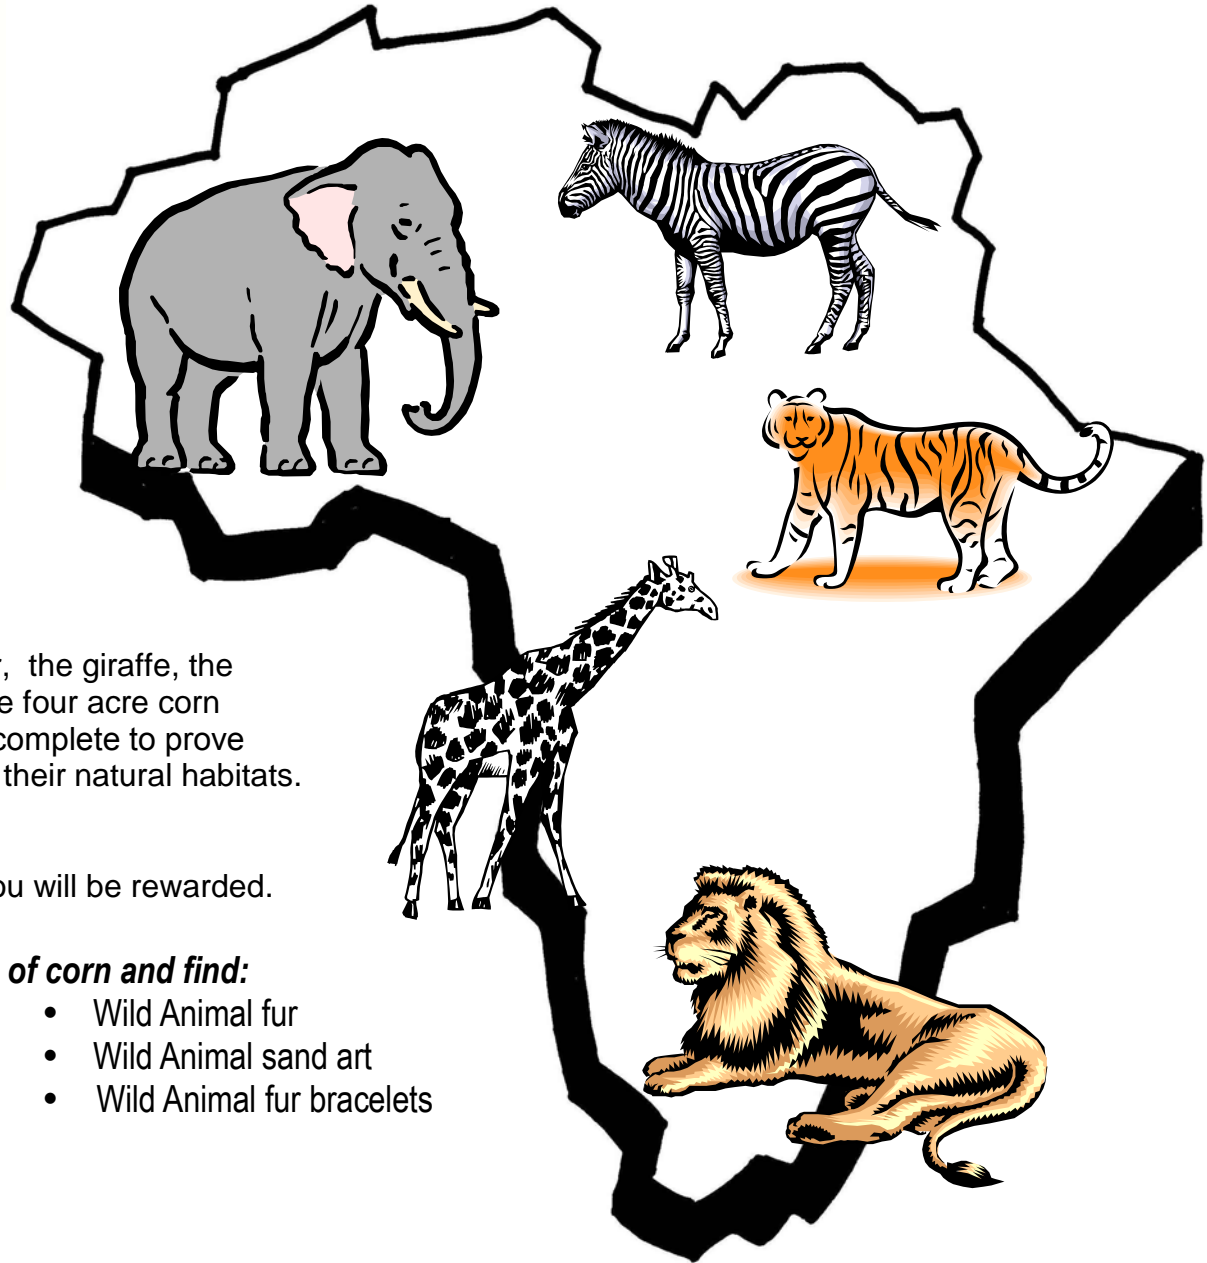

As a rookie zoo keeper, you must go on an expedition to study the "Big Five" most popular wild animals—the tiger, the giraffe, the elephant, the lion and the zebra. As you journey through the four acre corn maze, you'll find stations with projects to complete to prove you have encountered these beasts in their natural habitats.

Follow the instructions.

At completion of your journey you will be rewarded.

Search through the four acres of corn and find:

- Wild animal stamps
